

## Web Developer (Junior or Senior)

For our offices in Merelbeke, Belgium we are currently looking for a dedicated Web Developer. You will join our Software Development Team and you will report directly to the Development Team Lead.

### About our company

With offices in Belgium, Germany, Italy, US and a global partner network, HYBRID Software is a software development company focused on innovative productivity tools for the graphic arts industry.

HYBRID Software's CLOUDFLOW workflow, our PACKZ editor, and our integration products offer a unique set of advantages that include native PDF workflows, vendor-independent solutions based on industry standards, scalable technology and low cost of ownership. These products are used by hundreds of customers worldwide in all areas of prepress and print.

### Your Responsibilities

As a web developer you will be working on various projects for and with our clients. You will participate in the development and the design of our applications. Together with your team members you will follow up the entire development process. You will validate and adjust the software where needed.

### Your qualifications

- A Bachelor in Information Technology or Software Development or equivalent related work experience.
- Knowledge of Web Development, HTML, CSS, Javascript and frameworks.
- Analytical thinker with excellent problem-solving skills.
- We are open to young graduates. You will be embedded in a team of senior employees available to help you grow into your role.
- Having a service-minded attitude, good verbal & written skills and the ability to work in a team.
- English is a must, other languages are a plus.

### What we offer

- A competitive salary in accordance with your experience.
- Excellent terms of employment in a successful and growing global company
- Informal work climate and variable working-hours.
- At HYBRID Software we value our customers and our employees. We have a flat organizational structure and we strongly encourage any initiative coming from our people.

Don't hesitate to send your resume to [info-eur@hybridsoftware.com](mailto:info-eur@hybridsoftware.com) or to contact us on T: +32 9 329 5753 in case you have any questions.
