Project Manager

For our offices in Merelbeke, Belgium, we are currently looking for a dedicated Project Manager. You will join our Solutions Team and you will report directly to the Operations Manager.

About our company

With offices in Belgium, Germany, Italy, US and a global partner network, HYBRID Software is a software development company focused on innovative productivity tools for the graphic arts industry.

HYBRID Software's CLOUDFLOW workflow, our PACKZ editor, and our integration products offer a unique set of advantages that include native PDF workflows, vendor-independent solutions based on industry standards, scalable technology and low cost of ownership. These products are used by hundreds of customers worldwide in all areas of prepress and print.

Your Responsibilities

- Maintaining an overview of the existing projects and communication with clients, advising and supporting clients and managing expectations.
- Operational management of projects: preparing project planning and developing projects based on objectives and milestones.
- Accurate and step-by-step monitoring of the planning and checking whether the objectives have been achieved.
- Ability to assess the necessary risks and their impact on the project/organization in an accurate and timely manner.
- Taking action to control and neutralize these risks.

Your qualifications

- Minimum bachelor's degree.
- Experience as a project manager or experience managing projects in another role, preferably in the IT sector, is a must. Knowledge of PRINCE2 project management is a plus point.
- Affinity and/or experience with the printing or "packaging & label" industry helps to gain a good understanding of our clients' business.
- Strong listening and communication skills.
- Stress-resistant and flexible, you must be able to switch quickly between the different projects.
- Systematic and analytical thinker.
- Ability to set priorities and respect deadlines.

What we offer

- A competitive salary in accordance with your experience.
- Excellent terms of employment in a successful and growing global company.
- Informal work climate and variable working hours.
- At HYBRID Software we value our customers and our employees. We have a flat organizational structure and we strongly encourage any initiative coming from our people.

Don't hesitate to send your resume to HR-europe@hybridsoftware.com or to contact us on T: +32 9 329 5753 in case you have any questions.
